Heading 28 / 600

Subheading 20 / 600

Body 16 / 400, the size every field label and message uses.

Label 14 / 500

Hint 13 / 400 muted

Mono 14 – identifiers only

IBM Plex Sans for the interface, IBM Plex Mono for quote and correlation identifiers: they are read aloud to support, so the characters have to be unambiguous.
